

FORUMCLUB FORUMPISCINE 2019 – EXHIBITION TECHNICAL REGULATIONS

This “Exhibition technical regulations” incorporates and integrates the provisions of “General Conditions for participation in the Exhibition” accepted and countersigned by the Exhibitor when forwarding the request to participate to the FORUMCLUB and FORUMPISCINE (Fiera di Bologna, located in Bologna, Viale della Fiera 20, February 13, 14 and 15, 2019).

For everything not specified herein, the “General Conditions for participation in the Exhibition” reported on the “Application form” retained by the Exhibitor shall prevail.

1) PRELIMINARY NOTE

In this text the term “BolognaFiere” will be used to signify “Fiere Internazionali di Bologna Spa”. The term “The Organizer” will signify “Editrice Il campo srl of Bologna”, that acts in collaboration with BolognaFiere and ABSOLUT events and communication of Bologna.

2) SPECIAL REGULATIONS GOVERNING THE FORUMCLUB-FORUMPISCINE, FEBRUARY 2019

2.A- Dates, time and venue of the Exhibition

ForumClub and ForumPiscine will take place on the days of February 13, 14 and 15, 2019 at the Fiera di Bologna during the following times: Wednesday 13 and Thursday 14 from 9.00 am till 6.00 pm and on Friday 15 from 9.00 am till 5.00 pm.

The Exhibitors may enter the exhibition center every days from 8.30 am and they may stay until 6,30 pm.

On Wednesday the exhibition center will open at 8.00 am.

2.B-Availability of stands: hand-over

The stands will be available for the Exhibitors for free areas from February 9, 2019 from 8.00 am and must be completed by February 11, 2019 at 7.00 pm.

The Exhibitor shall make sure that the chosen contractor commits to the respect of the aforementioned condition, inserting the time limitation clause into the contract.

The pre-arranged stands will be available for the Exhibitors from February 12, 2018 at 8.00 am.

The charges deriving from any delay in set-up operations, such as to require extraordinary openings of the pavilions, will be debited to the interested Exhibitors.

2.C-Access to the exhibition center during the stand furnishing period:

Admission to the Bologna exhibition centre is subject to advance accreditation of data on the website www.gate.BolognaFiere.it. The accreditation is compulsory as well as the print of all permissions to enter.

Without all these documents is not possible to enter the exhibition center during the stand set-up and move out period. Each Exhibitor will be send a password to enter the reserved area for accreditation. This password must be used to submit details of the stand set-up companies, personnel and vehicles that will enter the exhibition centre.

All service providers must have the Delivery Note (DDT) with all the information about the Exhibitor, pavilion, exhibiting space. It is not possible to enter the exhibition centre without it. The Exhibitor is responsible for ensuring that the companies carrying out work in the exhibition centre on its behalf meet the necessary requirements.

During the stand set-up period, Exhibitors may enter the centre in the following time:

- February 9th from 8.00 am to 6.00 pm
- February 10th: Exhibition Center is closed
- February 11th from 8.00 am to 6.00 pm

with the chance for setting-up companies inside the Exhibition Center to continue the work for an hour more than the closing time indicated above.

The day before the exhibit’s inauguration - Tuesday 12th February 2019 from 8 a.m. to 7 p.m – booth preparation will not be allowed. It will be only possible to arrange samples, graphics and perform other activities manageable through the use of manual tools.

Vehicles, electric forklifts and all other NON-ELECTRIC or internal combustion engine vehicles will not be allowed inside the exhibition halls and areas. Parking next to the halls shall be strictly limited to loading and unloading of goods and equipment. Vehicles not used for such operations must be parked in the designated areas. Specifically, it is forbidden to unload and park containers or non-mobile trailers.

In compliance with safety regulations, BolognaFiere and the Organizer may fix specific standards to access the Exhibition Centre during stand fitting, such as limiting vehicle admittance and/or charging for parking vehicles out of areas and/or times designated by the Organizer.

Particularly, if cars and other vehicles are staying in the Exhibition Centre longer than two hours, the Exhibitor who registered the vehicle using his personal password will be charged 500.00 € (Five hundred Euro) plus VAT.

Furthermore, for safety reasons, it is strictly forbidden to stop vehicles inside the Exhibition Centre during closing hours. In the case of unauthorized stay, BolognaFiere will take action to obtain the removal of the vehicles outside the Exhibition Center, at risk and expense of the vehicle owner.

Requests for exceptions, with adequate justification, must be submitted to the BolognaFiere Operations Division together with the certification of suitability of the relevant vehicles and driver. If authorization is granted, the applicants will be charged a fee to cover the administration and verification costs associated with these authorizations (for more information, please contact the Operations Department (Divisione Operazioni). For conditions, see form "Request for authorization to use lifting equipment". The request must be signed upon release of authorization.

If lifting equipment is introduced and used without prior authorization, BolognaFiere will immediately have the vehicle stopped and removed from the Exhibition Centre.

2.D- Removal of exhibition samples.Handing back of stands:

At the end of the Exhibition, but not before, the exhibitors may dismantle the products and materials they have installed and, after obtaining an exit voucher from the Organizer and BolognaFiere, shall remove them from the Exhibition Centre.

During the dismantling period, Exhibitors may enter the centre in the following time:

Friday 15th February 2019, from 6 p.m. to 7 p.m. (only for samples and parcels to be manually taken away)

Saturday 16th February 2019, from 8 a.m. to 6 p.m.

Sunday 17th February 2019, exhibition closed

Monday 18th February 2019, from 8 a.m. to 6 p.m.

it is possible to continue working Inside the Fair District for an hour after the indicated time

The vehicle access to the areas and pavilions will be regulated in the same way that during the set-up period.

The dismantling of stands must be completed by 7:00 pm on Monday, February 18th. In the event that the cleaning is not finished by the deadline indicated above, any material left in the stand will be considered as waste material to be disposed of, and the defaulting Exhibitor will be obliged to refund all direct and indirect expenses for stand cleaning and waste removal, and will have to pay a fine of 300.00 € (three hundred Euro) for every 16 sqm plus any possible reimbursement for damages.

The Organization's pre-arranged stands must be freed from the exhibiting Company material before 2.00 pm on Saturday, February 16, allowing the Organization to proceed with the dismantling of the pre-arranged stand structure.

The Exhibitor assumes all liabilities for damages or thefts that might occur before, during and after the exhibition and on stand mounting days.

2.E- Terms of payment:

The payment of the fees due for the participation at the Exhibition shall be made within the times and according to the procedure indicated in the Application Form.

Although the "exit voucher" may not be issued to exhibitors who have not settled all their dues, either directly or indirectly, it does not constitute a receipt for payment of the sums due for the participation in the Exhibition and shall be valid only for the vehicle specified on the voucher.

The participant expressly authorizes the Organizer to verify that in the vehicles and luggage of the Exhibitor and / or its agents, leaving the Fairgrounds, there are no products and materials other than those installed on the stand and listed in the "Exit voucher", authorizing the Organizer to prevent the release of products and materials not listed on the it.

2.F-Insurance, exemption and assumption of responsibility

During the exhibition period, the Exhibitor is required to watch over his own stand and his exhibition space either directly or my means of his personnel.

Although BolognaFiere and the Organizer provides a general day and night surveillance service inside the

Exhibition Centre for the entire duration of the Exhibition and during the stand set-up and dismantling period, they are released from any and all responsibility in respect of theft and/or damage that may be sustained by the Exhibitor.

The Exhibitor shall also be responsible to BolognaFiere and to the Organizer for all damages, direct or indirect, that, for any reason, are attributable to him or to the personnel working for him (including damage caused by the furnishings or by the systems set up either by the Exhibitor or by third parties hired to do so, even if they have been inspected by BolognaFiere).

Compensation for damages deriving from such theft or damage as may be sustained by the exhibitor, even outside the hall opening hours (including all the days set aside for stand installation and removal) shall be made solely by means of adequate insurance policies.

The Exhibitor shall benefit free of charge from the following insurance policies taken out by BolognaFiere according to the Organizer:

- a) all Risks cover (including fire and theft) against direct and material damage to stand fittings, furnishings, furniture, equipment and goods in the stand, excluding cash, items of value, other valuables and similar and excluding software installed in the computers and excluding damages from non-use of stand fittings, furnishings, equipment and goods during the exhibition: euro 40.000,00 full first loss cover (including fire and theft) cover with full excess of euro 300,00 for each item of damage, increased to euro 600,00 for damages occurring after the end of the exhibition;
- b) Third Party Liability cover, including the damages from fire: single limit euro 50.000.000,00;
- c) Third Party Liability cover for Employees: limit euro 3.000.000,00 per claim with a limit of euro 2.000.000,00 per person;
- d) the Insurance Company shall waive all claims towards exhibitors, the Organizer and BolognaFiere.

The above-listed insurance covers are governed by the conditions and limitations which the Exhibitor may request from the Exhibition organizing office, and which are printed in the form contained in the various forms booklet for the exhibition. These insurance policies do not release the Exhibitor from liability in respect of all risks which, according

to the independent assessment of the Exhibitor, are not covered or which exceed the limits of cover as set out above. The exhibitor shall take out such supplementary cover as he deems appropriate.

In particular, given the existence of a video surveillance system, in case of theft, a report must be presented to the Public Authorities and forwarded to the Insurance Company within seven days of the end of the exhibitions. Failure to meet this deadline may result in forfeiture of the right to compensation. The Insurance Company will also handle claims and settlements at the end of the exhibition.

In any case the Exhibitor undertakes to include in the supplementary insurance cover a clause in which the Insurance Company waives all recourse to action against the exhibitors, the Organizer and BolognaFiere, and in default he shall indemnify them from any action that may be brought against them. Having taken note of the above, the Exhibitor (on his own account and for his agents, employees or assistants) in any case expressly relieves the Organizer and BolognaFiere from any liability for loss or damage which for any reason should occur in the exhibition area assigned to him, during the exhibition or during installation or dismantling, and in respect of anything located therein, and he accepts sole liability for any damage caused to third parties by the management of the exhibition space or by anything introduced therein, and which is not covered in the terms or manner indicated above or by additional insurance cover taken out by the Exhibitor himself.

The Organizer and BolognaFiere decline any responsibility for consequential damage, damage to images, loss of revenues, etc. As regard direct damages, the Exhibitor accepts that the liability of the Organizer and BolognaFiere shall be limited to the insurance cover limits as stated above. The Exhibitor accepts these limits of liability.

3)STAND FURNISHINGS AND PROHIBITIONS

3.A- Definition of type of stand set-up and approval procedure

Stand set-up, regardless of surface area, is classified as follow:

- STANDARD set-up
- NON-STANDARD set-up

NON-STANDARD set-up entails even just one of the following features:

- provision of metal structures such as the one known as "American" with overall length exceeding 32mt or with free span exceeding 8mt
- Provision of horizontal metal or non-metal structures with clear span exceeding 4,50 m
- Provision of loft with space on upper level, even if not accessible to the public
- Provision of platforms higher than 80 cm

All structures set up in external areas with a surface area greater than 75 square meters are to be considered

non-standard furnishings.

Considering that the trade fair ground has obtained habitability of exhibition spaces for traditional set-up, or with the STANDARD parameters, exhibitors intending to set up a space with even just one of the above-listed features are obliged to submit their set-up project complete with stamp and signature of the authorized technician, by fax or certified mail, to BolognaFiere for approval within January 11 2019.

If the Exhibitor does not have a sketch of his non-standard stand signed by an authorized technician, he may request for an inspection by BolognaFiere through the set of forms available at: www.befair.eu.

For non-standard structures, in the event that a signed project is not transmitted to BolognaFiere verifications and validations will be made automatically, with a charge to the exhibitor equal at twice the expected rate for the service, as indicated in the modules above mentioned.

In any case, BolognaFiere reserves the right not to grant permission for the set-up of non-standard stands that have not been approved in advance.

Non-standard stand assemblies are subject to a mandatory static inspection to be carried out exclusively by BolognaFiere. The Exhibitor will be charged the amount related to the type of assembly, as indicated in the set of forms available at www.befair.eu.

To build up metal structures, such as the one known as "American" (with total length, horizontal or vertical, exceeding 32,00 m and/or free structure span over 8,00 m) or metal/non-metal horizontal structures with free span exceeding 4,50m, or loft, the Exhibitor must forward (by fax or certified e-mail) to BolognaFiere the plan of the structure signed by a qualified technician, with calculation report including the charge conditions of assembly and disassembly according to the expected building methods, as well as a certificate of correct assembly, on completion of the work, signed by a qualified technician.

In any case, BolognaFiere has always the right to examine stand projects that fall outside conventional set-ups in terms of dimensions and potential danger. The Exhibitor must provide technical drawings and the names of the technicians responsible for the structural and the furnishing parts, for the systems and for the health and safety in the workplace. The same obligation applies for stands built in external areas.

BolognaFiere may request the intervention of the Supervisory Committee for places of public entertainment.

3.B - Stand furnishing

The Exhibitor shall limit his display to the area allocated to him, as marked off by partition walls, painted lines or adhesive tape, where there are no other reference elements. Areas not set up will be provided without partitions between a space and the other. For this reason every exhibitor who has an area adjacent to the other, must set up partitions to define the edge of his area.

The set-up area shall not exceed the theoretical plane passing through the axis of the plates at the foot of the front pillars which support the side walls of the stands.

Inside the pavilions the stands may not exceed the standard height of 3,00m inclusive of any added thickness due to raised floors, lighting elements and light supports, including lattice structures, on condition that the structures whose sides face adjoining stands are perfectly finished and painted in a neutral, solid color.

The Exhibitor must keep inside his stand, in sight and ready to use, the following amount of attested and properly marked fire extinguishers:

Stand size Minimum amount required per m2	
Up to 50 m ²	1 fire extinguisher
51 m ² - 150 m ²	2 fire extinguishers
151 m ² - 300 m ²	3 fire extinguishers
Over 300 m ²	4 fire extinguishers

The extinguisher type must be powder 6 kg, fire rating 13A 89 B-C, approved by Ministerial Decree dated December 20, 1982.

The Safety Department of BolognaFiere may request, at their incontestable discretion, to increase the quantity of extinguishers needed at the stand.

Extinguishers may also be hired (while supplies last) from BolognaFiere - Ufficio Vendite (Service Centre) tel. +39 051.28.28.16 - e-mail: vendite@bolognafiere.it

In case of non-compliance, extinguishers will be officially delivered to the stand by BolognaFiere at an extra charge.

In pavilions 14, 15, 16, 18, 21, 22, 25, 26, 33 and 34 and partially in pavilions 29 and 30 double ceilings are

permitted only if they are made from grill-type or perforated panels to allow the proper use of the sprinkler fire-fighting system.

Glass walls in direct contact with the public must be in accordance with applicable Laws and UNI standards.

Suspended loads and the related suspension systems must be made in accordance with the Circular Letter of the Ministry of the Interior of 01/04/2011, that means providing, in addition to the main connection system (for example tie, belt, rope, chain, rod), also a safety connection (for example tie, belt, rope, chain, retractable fall arrest systems, etc.). the terms "Suspended load" are used to signify American structures (simple type or "ring"), or other types of beams / structures and all related loads (for example: monitors, projectors, speakers, lights, motors for lifting of other sub-structures, etc.) that are bound to a structure top or bottom or via a lifting member. The above items must be in possession of all the documents contained in the Circular Letter. All liability for the stability of the furnishings and the compliance of the furnishing materials with the fire prevention regulations currently in force shall be solely for the exhibitor's account, who expressly relieves BolognaFiere of liability for any damage that may result from design and construction defects, including the dimensioning as inferred from the detailed drawings of the areas occupied.

Any job that entails changes in the actual state of BolognaFiere's fixed and movable property (reinforcements, modifications, excavations, holes in fixtures, walls, structures and floor columns) may only be carried out with the prior authorization of BolognaFiere, and shall be done at the expense and under the responsibility of the participant. This responsibility shall remain the Exhibitors for the entire duration of the Exhibition until the stand is handed back to BolognaFiere. Prior to starting work the participant is required to make over to BolognaFiere Spa an amount equal to the cost required to restore the stand to its original state, which will be undertaken by BolognaFiere.

3.C Waste Management

Setting up and dismantling

Waste and residue from stand assembly and disassembly must be disposed of by the Exhibitor and/or his employees, and all aisles must be kept free of all garbage and bulky waste.

Waste and residue from stand assembly and disassembly is removed by and at the expense of the Exhibitor and/or his employees.

BolognaFiere staff members, who will be on hand in every hall during centre open hours, will verify the respect of rules for the management of waste and residue.

In case of anomalies, these will be recorded and sent to the internal appointed authorities.

In case of non-compliance, the stand will be officially cleared by BolognaFiere staff and the Exhibitor will be charged all direct and indirect costs, amounting to 300,00 € (VAT not included) for every 16 m2 of surface taken up by the Exhibitor.

Show

The waste produced in the course of the event will be delivered in recycling area present in the Exhibition Centre and differentiated according to the specific type (paper, glass, metal, plastic and undifferentiated).

The Exhibitor and / or its agents, can give to BolognaFiere the task of collecting and disposing the waste produced.

3.D -Prohibitions

It is specifically prohibited for Exhibitors to:

- apply loads to the structures of the halls, the walls, lighting pillars, etc,
- attach to or suspend from the above-mentioned elements posters, cables, panels, banners, stickers;
- fix to the floor moquettes or similar material using highly adhesive double-sided tape with internal paper support or tape of weak consistency'
- damage the equipment belonging to BolognaFiere and the structures of the halls;
- using their own lift trucks, mobile cranes, aerial platforms, etc.
- leave waste materials and for waste of any kind,
- stage or conduct any show or entertainment, of whatever kind, nature or characteristics, even if said show or entertainment is limited to the interior of the stand or designed for the presentation of products, without the prior consent of the Fair management; it is sole responsibility of the Exhibitor to obtain any authorizations from the public health and safety authorities, and, in general, from the authorities responsible for the above initiatives, if and as required;
- access to the Exhibition Centre, during opening hours, of vehicles different from automobiles.

The Exhibitor accepts sole civil and criminal liability for damage caused by the non-observance or breach of the rules in force and of all the requirements set out in these Regulations and in the Safety File, the Exhibitor shall also hold harmless BolognaFiere in respect of any claims for compensation filed by third parties.

The Exhibitor shall notify his personnel and the firms operating on his behalfs in the Exhibition Centre of the requirements and prohibitions as set out in these Regulations and in the Safety File, and also of the general rules of participation in the Exhibition.

In the event of non-observance of these rules and the relevant provisions set out in the Regulations regarding participation, BolognaFiere may take action against any firm defaulting on the fire-prevention rules. Said action may entail, in the event that supplementary measures to the general safety rules are adopted, the charging of the relative costs, estimated at not less than € 300,00 of exhibit on module, or an order requiring the partial or total disassembly of the stand and a declaration that the stand is unfit for use.

4) GENERAL SERVICES
